**DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS**

My dears:

If today you are burned by My Fire, do not fear, it is because My Flame is christifying you in the depths of the heart. By each new step that your hearts take towards My Kingdom, your lives will untie themselves from the past and will be able to arrive free and pure to My Kingdom of Love. If your heart hurts, it is a sign that My Heart transfigures you under the ray of My Mercy.

Now it does not matter how much you offend me because My Love for you is so big that it can transform all. Carry in your consciousness the loving sign of My Coming and day by day prepare My inner Dwelling Place so that My Redeemer Light may settle itself in all of you.

My companions, as I have told you, My Source of Love, unknown by many, is the Water of Life that transmutes you and purifies you. To arrive to this blessed Source of renovation you must give me permission so that My Divine Law may renew and transform you. Still many escape from the power of My Redeemer Love by believing in the good life that the world can offer them.

Now My Shepherd Spirit gathers the flocks, gathers the hearts in the inner planes, convoking them to the time of purification and to the time of the transcendence of oneself because in your sincere and truthful transformation you will be able to open the doors to those who still do not listen to My Redeemer Voice.

My Dears, I will not leave you alone and in the moments of burning tension My Heart will animate you to go forward with courage. In Heaven is guarded precious celestial treasures that will fulfill those souls that persist in full trust in Me.

Meanwhile do not only follow the marks of My Footprints but also drink from My Source of wonders and blessings because My Heart surrendered itself for Love to you and for the Redemption of all of humanity.

I am by your side, walking silently to encourage you to recognize the power of My Love and of My Faith.

Under the Grace of God the Father, be blessed.

Thank you for guarding My Heart in your hearts!

Christ Jesus.
