DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FATIMA PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Let us remember, companions, the Feast of Mercy, which is solemnly celebrated on the Sunday following Easter.

To celebrate Mercy is to accept the Presence of God in spirit, knowing that in every moment of our life we need the Presence of God to straighten our paths and to find peace.

This time, Mercy will be celebrated again in Poland, and on the inner planes this shall grant a deep healing for all the generations of Europeans who in some way have gone through the World Wars.

An atonement will be granted to the great sinners and, in this way, a history that remained recorded in the memory of the innocent will be dissolved in order to reconcile peace among consciousnesses, so necessary and just for these times and for the times to come.

Once again, Divine Mercy will act and will attract deep healing into the essences of souls.

Everything that will be offered through the Pilgrimage for Peace will help the Heavenly Hierarchy so that It may carry on with the spiritual unblocking of a process that condemned and condemns thousands of souls in this part of the world.

So that this could happen, it was necessary to first reveal the Aspect of My Divine Mercy so that hearts would know, through the merits achieved by your Master and Lord, that planetary life could be widely helped.

Now, and on this occasion, Poland will be helped again.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
