DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN BAHIA LOPEZ, BARILOCHE, RIO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN DE JESÚS

Today My Merciful Heart is divided into two parts, one part is with Brazil and the other part is with Argentina.

The need for help and spiritual intervention in both nations is very large.

The Lord of the Universe, the Master of Love, has His Heart in two places to avoid the deactivation of the rescue project for South America.

Together with all the powers of My Spirit, My Soul and My Divinity, the cosmic and stellar elements are mobilized to help, from the Spiritual Universes, what is happening in the Material Universes.

Great Universal Consciousnesses are positioning themselves in different regions of the planet to carry out a great operation for safeguarding and protecting all the christic essences that have already awakened, and which will traverse the cycle of the end of times.

This is why the Celestial Brotherhood is mobilized, in order to counteract the ideals and the actions that would impact millions of people in South America, a region that, at the moment, is the focus of the imbalance of the surface of the planet.

My Spiritual Heart is divided into two parts for this reason, to give spiritual and inner assistance to those who will face one of the most difficult times of humanity.

But, in the end, My Sacred Heart will triumph in those who have believed in the Lord because, I will not abandon them.

I thank you for keeping My Words in your Heart!

Who blesses you,

Your Master, Christ Jesus
