DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Mercy is poured like rain on a spring afternoon and it brings the Source of renewal and the presence of the eternal to the planetary life.

Thus, Divine Mercy reaches the hearts most in need of love and of light, but is also poured on all those who respond to My convocation.

On this afternoon, Divine Mercy restores inner worlds, pacifies troubled hearts, and unifies the souls that live the Divine Purpose in My Name, which will continue its trajectory beyond the stars.

For this reason, always remember that My Love is immutable, and My Compassion, eternal; thus I will take you with Me towards new spheres and in those dwellings you will encounter your true origin, the story written in the Mirrors.

Remain united with Me, because from today a new and unique cycle began, to expand the foundations of the Divine Purpose in the entire planetary sphere.

In My Celestial House today I have a new dweller and I have received him rejoicing because his mission was fulfilled, just as My Celestial Father thought it.

This is reason for happiness and for joy.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
