Apparition of Christ Jesus during the 58th Marathon of Divine Mercy in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón de Jesús

My presence in the world is inextinguishable. When all has ended, there will come a moment when I will return. And it will not be a promise but a truth, because I will be at your side sharing My Glory and your joy for having found the Kingdom of God, in spite of the tribulations. Therefore, keep going ahead and do not lower your arms.

The Truth I bring today is hard, but also revealing.

With the same purity that you give Me, I can rebuild the world. There is nothing that cannot be used. This time has an incalculable value before the eyes of humankind.

But in My Heart are held many more mysteries that I hope to be able to reveal to you someday, so that you may be part of the Universe, as you are part of the Earth. And so that in this way, the Laws may unite and the Sacred Will is fulfilled.

I will not leave behind anyone I have called by name, even if they have sinned or have offended Me, because the mystery of My Mercy is still not understood; it is only recognized by the heart that opens in order to find it.

As the proclamation of your faith today has been so explicit before My Presence, and above all before God, I promise to return here in the month of August, so that together we may celebrate the victory of My Celestial Kingdom in all the hearts of the Earth who believe in the Word of the Lord.

Blessed be those who listen without any fear and who only seek the truth, so that they may be within My Wisdom and so that, within this cruel moment that humanity is living, they may walk freely, taking the Love of My Heart wherever they may go and for those who most need it.

My children, you know that without love nothing is possible, not in the spiritual plane nor in the material plane. Love was what first sprouted from Divine Existence to be able to generate Creation, and then life. It is towards that Source that you should always redirect your lives, so that you may be protected from everything in this end time, in which the next humanity will be defined.

Perhaps you may have hoped to hear celestial words in My last messages, but in reality, you hear them because love is also to say "no." This corrects you. This straightens you and leads you to peace, always finding a refuge in My Spirit, which is unfathomable and infinite.

The world will reconsider through great suffering, but that is what I do not want, because the suffering in the world is already very great and painful.

Thus, the love you put into everything you do will allow a renewal of the times and consciousnesses. But if you do not put love into what I am asking you to do, how will the Kingdom of the Father triumph on Earth? For it is love that will forgive, it is love that will reconcile, it is

love that will grant healing to souls. Without love, nobody will be able to survive, even if they say it with their own mouth and speak it with their own lips.

I came to the world a long time ago to teach you the love that humanity had forgotten through arrogance, power, and spiritual blindness.

With that same Love that led me to the Cross, today I come to bless you and to fill you with the Light of God, that comes from the Primordial Source. It is this Light that will make you invincible. It is this Light that will make you humble. It is this Light that will convert you into peacemakers for these critical times, in which judgement will have no power, but rather, Mercy.

What I need, companions, is for My servers to enter into the next School of Loyalty, which is something that is genetically unknown to humanity.

Through the merits achieved by your Master and Lord during His public Life during his Passion, Death, and Resurrection, on this day I bring you the code of Loyalty, which will make you true among yourselves, like brothers. This will conjoin you more and more when times become more difficult, and only a unity among creatures will exist that is able to defeat the enemy, which will rise up to the Earth from its most profound abyss to try and take many more.

This Earth, this planet, must change into the new promised Land. And this will begin in South America, until it is finally on the whole planet. But first, companions, this Promised Land has to be born of you. You must make your lives sacred, so that the new Earth, together with the new Aurora, is able to emerge and carry this legacy of the redemption of your lives to the Universe as the most treasured trophy of the victory of Christ, your Lord.

So the time has come, companions, for you ask yourselves in the silence of your heart if you are fulfilling My designs, or are distancing them from your paths. Each one knows what they came to give Me, in spite of their not being aware of it.

The Love I bring you, from time to time, is what will reveal the virtue of your purpose for this life to you. Therefore, before taking a false step, reconsider. And for those who are disturbed because of not being able to transcend themselves, let them believe more in Me, so that I may be able to be in you and make of this moment a celestial triumph.

Through My words, I bring you the nets of salvation, which I stretch out from Heaven to Earth so that souls may rise up to God and find again the path towards the origin, where the real commitment of your consciousnesses has been signed. May you hear Me in the world and make alive My words in yourselves, from where the new Earth will be born, which will give impulse to a great change, to a great planetary shift in humanity. And may this impulse be the preparation for the next coming of your Master and Lord.

There is still much work to be done. The designs have not yet been accomplished. And I need you to understand that each completed phase is a triumph for the Kingdom of the Heavens in this humanity. Each input and each care that you take for My Will to be fulfilled is a triumph of the Celestial Kingdom, in a perverse humanity that, having distanced itself from God, has lost its peace.

But in spite of this scenario being this way, here on this planet new Christs are awakening, who

will know what it is to be empty of self and surrendered to the void, so that the compelling Spirit of the Love of God may completely transform them.

Do not miss the opportunity to love. Do not miss the opportunity to serve. Do not miss the opportunity to change your lives according to My message, because this is the new parable that I bring you. You must surpass Me in love, because I know that you can do it, although you do not believe.

Let us go together toward the goal of a new humanity, free of error, free of suffering, free of pain and of indifference. Let us concretize together this Plan, which is shown to this part of the world from the Universe through the Presence of the Son of God, of the emanation of the Love of God for all creatures of this Universe and of others.

Do not lose your love for My Work, because otherwise I will not be able to continue forward and that would be severe, because many will realize too late what they have done.

While there is still time, companions, work daily for love and loyalty; so that the world may be converted, so that the nations are relieved, so that more and more suffering disappears and the Love of the Son of God triumph in the hearts of the world.

With the love of the Light of Aurora, that today radiates us and fills us, let us re-confirm, children of My Father, this commitment of making the Plan alive in your lives forever:

May those who are confused receive wisdom,

May those who have closed their heart receive forgiveness,

May those who have distanced themselves from Me receive discernment,

May those who hate for some reason receive My Love, to become free of themselves,

May all that has been obstructed be restored,

May the evil that is done in the world be dissolved,

May the hells be closed,

May the damnation of souls end and may the Light of the living Christ, of the God of Love, triumph in the essences. Amen.

And so, may the advent of the new be fulfilled and all be renewed, because in My Heart you will always have refuge to understand everything.

Truth is found In Love and the Truth will lead you to Peace. And Peace will give you the Loyalty so that your lives may represent Christ on Earth, in spite of all the assaults and all of the mistakes committed up to the present.

Today I will especially bless those who are to wash their feet, so that they may receive the Gift of Wisdom and so that this Wisdom may open their way towards the pathway of Redemption.

May everything be renewed and let nobody remain behind, because My wish is to see you all when I return to the world, to re-consecrate the planet to the Eternal Heart of God.

May at this moment, the angels transubstantiate the elements, just as the Son of God

transubstantiated the bread and the wine so that souls could eat of His Body and of His Blood, and thus unite with the God of Love.

May all mistakes be dissolved. May the past be erased and may the eternal present be the purpose that guides hearts.

You Lord, who first created water for this planet, from which life and humanity come, deposit in it the Gifts of Your Source, so that all may be healed according to Your Will.

May Uruguay be blessed with greater discernment, and let souls become aware of the truth; so that, in a profound repentance and in sovereign penitence, all be rebuilt so that the Principle of God can be lived again.

Wash the feet, Lord, of those who are wounded. Dissolve their mistakes and torments, and enter into their hearts so that all may live Your Eternity.

And today, with special joy, I remember, together with My people, this divine legacy, so simple but true, that I left for all when I took the bread, thanked God, and He, with the breath of His Spirit, blessed it. And I said to My apostles and all those who were present in the silence of the inner planes: Take and eat, all, of It, for this is My Body, which will be surrendered for the forgiveness sins.

And thus, Divine Grace descended.

In the same way, I took up the Chalice. The Father blessed It with the merits of His Glory. I handed it to the apostles and said to them: *Take it, companions, and drink, all, of It, for this is My Blood, the Blood that will be shed, the Blood of the New Covenant that will unite hearts with Me, until the end of times. Do this in remembrance of Me and for the redemption of Humanity. Amen.*

*Our Father who art in heaven,
hallowed be Thy Name,
thy Kingdom come,
Thy will be done
on Earth as it is in Heaven.
Give us this day our daily bread,
and forgive us our trespasses
as we forgive those
who trespass against us;
and lead us not into temptation,
but deliver us from evil. Amen.*

And thus was the legacy of the Body and the Blood of Christ established.

Before leaving the Garden of Gethsemane to experience the first steps of My agony, and after the last Supper, I said to the apostles, as well as all the angels that were present: *I give you My Peace, and live in My Peace for love for Me. Give each other the greeting of peace.*

May this peace renew all things. May this peace bring the hope and the joy of being able to always live in God, in spite of everything that may happen.

May this peace be extended to the whole Earth and be engraved in the hearts that most need of peace.

I bless you in the Name of the Father, the Son, and the Holy Spirit.

I thank you for proclaiming today the prayer of Divine Mercy with your heart. And may this be repeated tomorrow with the same joy as today.

I thank you!
