APPARITION OF THE GLORIFIED CHRIST JESUS AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, DURING THE FIRST DAY OF THE 107TH MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

Behold the King and Sovereign Master of Humility.

I Am here to serve My companions, so that My companions may never tire of knowing the immensity of My Love. A Love that comes from the Father, the Love that created you from the Beginning, that made you emerge from a special Source, which up to this day has been unknown to the whole world.

Today I bring to you, companions, behind Me, the splendid Fig Tree of Light, plenty are the fruits of service, surrender. Plenty are the fruits of those who self-summoned to serve God in these final times.

Glimpse, at this moment, all that the Hierarchy has achieved on the surface of this planet, through the expression and manifestation of the Light-Communities, through the cells that have awakened in these final times to the call of instruction and to the call for transformation.

Therefore, companions, believe, once and for all, that your lives have been renewed. But the path to accompany your Master and Lord in the sacred preparation of His Return to the world is still very long.

Today I come to give you these fruits of Knowledge and sacrifice because this Sacred Fig Tree has been able to yield its fruits through those who have self-summoned, through those who have walked in these times, following the call from Heaven with faith and determination.

There is no other place in the world but within yourselves where you can hold this Legacy that I give to you today, which comes from the Sacred Fig Tree of Light, which throughout times has congregated you for service, for the concretion of the Plan, the Plan of Love and Unity, which has to be present in each human heart.

Therefore, celebrate this moment with Me.

Behold the Sovereign Master of Humility and Surrender, Who knows your names written in the universe, who watches and protects your consciousnesses so that, at each new cycle that presents itself, you may have the courage and bravery to walk toward Me. Because the coming times will present challenges to all.

I will place My Purpose in your hearts and inner worlds so that it may be fulfilled just as I expect and so that this Purpose may allow redemption for humanity. Therefore, you should no longer feel that your lives are yours. Your lives belong to the Lord, because He writes the Will of God and concretizes it step by step, through the life of each being.

I come for a nation that needs to feel me very close. I come for a beloved people that has the destiny of being the cradle of the New Humanity, because the Rays that rule this nation are a favorite of Mine, the important Rays that have allowed the universe to evolve. And your souls are a part of these Rays, under their sacred expressions, through Love and Devotion.

Therefore, Brazil is a country of open arms. It is a country that must continue to be governed by the Queen of Heaven so that all the angels that eternally accompany Her may protect each space and each place of this dear nation.

With this, I mean to say to you, companions, that you should pray much more in the coming weeks, and that it may be the spirit of prayer that should inspire you and guide you to make the right decision. The Father will also pray for you, for the Purpose of this nation, so that it may continue to fulfill that which is written in the Heart of God.

Brazil must always be a nation that, through its humility, simplicity and beauty, helps the kindred nations and also the far-away nations of the planet, because the beat of My Christic Heart must always be present here. From here the Return of Christ must emerge, because My promise is alive.

I will come among the humble and simple. My Love will defeat the powerful and arrogant, and once again the New Jerusalem will be elevated, in which all will feel One in the Father and, through the Father, they will feel One with the Son and the Holy Spirit.

Therefore, I beg you not to fail to raise your voice through prayer so that, as you have asked today, the Angel of this country may consciously be helped by all. Thus, the pressure will be relieved, the mental and uncertain doors will close and the Ray of Love and Devotion will spring from the sincere hearts that fervently invoke the Name of Jesus, so that His Word and His Will may be fulfilled.

Thus, in the coming weeks, I will count on the prayer of all Christians, of all who follow a path toward Christ, and I will inspire this people to an inter-religious unity, where respect for life, love in families, unity among loved ones and, above all, the good may exist, in this humanity.

For this reason, on this day, I come to ask for a special prayer for Brazil until October 30 so that you may help the Angel of this country in all that which It must manifest and achieve in these times. The sacred instrument that you will utilize in this task will be the Rosary so that the Mantle of My Holy Mother Aparecida may be extended upon the spirit of this nation, protecting it from the harassments and the conquerors of these times, safeguarding the heart of this nation from the ideologies that eradicate life and confuse families through uncertain languages.

Thus, you will allow the Angel of Brazil to attract toward this country the Spiritual and Divine Purpose of this nation, which began to be fulfilled with the liberation from slavery, bringing more sensitivity and respect to the humble and innocent.

This is why I ask you to position yourselves in the correct frequency, to disseminate the power of Love, disseminate the power of My Mercy, to be forerunners of the prayer of the heart, and not to get entangled in the world lies.

It is time, companions, for you to consciously help the Hierarchy, because just as I told My apostles such a long time ago, it depends on the penance and repentance of hearts that Justice may not descend upon the world, that My Unfathomable Mercy may descend and hearts may rejoice for their

liberation.

I Am here today, also praying for you and your people. I cannot think, not even for a moment, that I will not be able to have My Feet upon this sacred soil of Brazil, because it is a promise that My Father made to Me on the Cross: that, after the times of Armageddon, in a simple and humble region of the planet, the Lord would return to the world.

Pray for the permanence of these spiritual bases. I also call on all My companions from other nations to join the prayer for Brazil, as it is time for you to understand and perceive that you are part of one universal family.

For this reason, My Consciousness is close these days, close to My companions, to those who have their hearts open, just as the Master was, such a long time ago, together with His apostles, sharing His Humanity, Fraternity and Love.

After this dark night that the world has lived and some parts of the world still continue to live, My Presence, through the consecration of new Adorers, will ignite the incandescent flame of peace so that it may remain in the world and not be extinguished, because if peace were missing in this world, everything would quickly precipitate.

This is the reason for the importance of preserving the prayer for Brazil, so that the Angel of this country may intercede before the Father, just as today My Heart intercedes for you, for you to be My testimonial of redemption and forgiveness.

Let the new adorers approach the foot of this altar, because it is My wish at this moment that My priests may bless you with water and incense, so that your souls may live this moment of consecration. Thus, I will also be able to bless you in Spirit, in Divinity, for this sacred and blessed task that you assumed such a long time ago, so that the planet may preserve not only its mental balance, but also the physical balance of the Earth. This must be the great key and the great cause of the adorers in these times, so that My Grace and My Mercy may continue to descend upon the world and souls.

Friar Elías del Sagrado Corazón de Jesús:

At the request of Christ, and before His Presence at this moment of inner consecration of these brothers and sisters, we will support the task that He will carry out for each one of them at this moment, through a song. We will sing "Consecration."

At this moment, we offer to Christ the elements for Him to bless them.

*Lord,
through these elements,
deposit Your Sacred Presence,
an expression of the infinity of Your Merciful and Eternal Love.*

*Through these elements,
deposit Your Grace and Your Mercy,
so that souls, through this blessing,*

*may feel as participants in Your Kingdom,
and may always renew themselves throughout time.*

*In the name of the Father, the Son and the Holy Spirit.
Amen.*

Song: "Consecration."

I give thanks for those who adore My Eucharistic Heart. May It always be your strength and your renewal in the lessons of life, in the lessons of these times. May My Eucharistic Heart of Love always be a power of the Healing and Renewing Love.

Placing My Hands upon you, I consecrate you as Adorers of the Eucharistic Heart of Jesus.

May Peace be in you.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

You may stand up.

Now, the new adorers will make an inner offering to Christ, at this moment, so that He may always impel them to follow this path of Adoration, to recognize His Name and Presence within themselves. Through the silence of your hearts, elevate the offering and before His Presence respond to His call.

We will elevate our inner offering through a simple prayer, at this moment of consecration.

*Celestial Father,
who leads us all,
accept our offering of surrender to You.
Guide us on the path of Love,
so that Your Will may be done.
Amen.*

I thank you for responding to My summoning!

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

In the Inner Presence of Our Lord, we will prepare for the Sacrament of the Communion.

We remain attuned with His Merciful Heart, so that we may relive the Passion, Death and Resurrection of Jesus, through the Communion, which will be offered at the Altar.

We will sing the Names of God.

Song: "Sacred Names of God - Canon No. 1"
