APPARITION OF THE GLORIFIED CHRIST JESUS ON THE SECOND DAY OF THE SACRED WEEK, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

If I smile at you, will you smile at me?

May God bless you in the name of His Son.

In the name of the Father, the Son and the Holy Spirit. Amen.

Today, I want you to bring Me a Menorah and a candle, for humanity is entering its important last seven cycles; and I invite you, companions, to consciously pray for these cycles, so that all that the Celestial Universe expects to carry out in humanity may be possible.

The Menorah has been an ancient symbol of Judaism since the times of the patriarchs. It is a symbol of divine inspiration that consciously prepares consciousnesses and souls for what they will live in the coming times.

For this reason why the first candle that we will light today in the Menorah represents the first cycle that humanity will live after the Sacred Week, for which you must pray very much, because they are great planetary events that will come to correct humanity, not with justice, but with Love and Mercy.

Therefore, we will light this first candle in the Menorah so that, from today on, it may be at this Altar of Mine, which you have conceived for the arrival of your Master and Lord.

I will wait.

Accompany your Master and Lord in this spiritual exercise that I teach you to consciously live so that you can enter the coming cycles with maturity, commitment and responsibility, virtues that the Holy Spirit will give you for these times.

And we will light the first candle of the Menorah, asking for the Gifts of the Holy Spirit to descend at this moment, just as, at Pentecost, the Holy Spirit descended upon My companions and upon My Most Holy Mother, who at this very moment accompanies with Love all that Her Beloved Son is doing.

"Come, Holy Spirit,
and blow with Your Fire upon the consciousnesses of the world
and, especially, upon those who follow Me
and dare to prepare My path,
thus paving the way for My Return."

Within the Gift of Science of the Holy Spirit, let us pray to the Holy Spirit, invoking, through the Gift of Science, for the Gift of Discernment to be established at this culminating moment of humanity, when the lineage of the Governors must be lived and understood widely so that the entire surface of the planet may be reconfigured and reorganized according to Divine Will.

Now, let us place the Menorah at the altar.

And thus, until Sunday, the great moment of the Resurrection of the Lord in the hearts of the world, the Menorah will gradually become completely lit, inviting, through the Holy Spirit, all its Gifts and Virtues, so that they may guide all the consciousnesses that are postulants to the Plan of God in these times.

Let us ask the Holy Spirit for the Gift of Discernment for all causes of the world.

Let us ask the Holy Spirit for the Gift of Discernment for all unjust situations throughout the world.

Let us ask the Holy Spirit for the Gift of Discernment so that the rulers of nations and peoples may make consequent and beneficial decisions, in accord with what the Celestial Father expects in these times.

Let us ask the Holy Spirit for the Gift of Discernment so that wars may not be fostered and the sale of weapons may not be justified, lest they place humanity itself in great danger.

Let us ask the Holy Spirit for its Gift of Discernment so that the minds and hearts that are closed to God, that live the evil of the world, may be exorcised and liberated from their spiritual and eternal prisons, so that they can be redeemed.

On this day, let us ask the Holy Spirit for the Gift of Discernment so that this humanity may be truly rebuilt, through peaceful dialog and beneficial action for the most miserable among humanity.

Let us ask the Holy Spirit for the Gift of Discernment so that the trafficking of people may end, so that the exploitation of the poorest nations may end and so that the poorest and the slaves of these times may recover their human dignity.

Let us ask the Holy Spirit for the Gift of Discernment so that a spirit of fraternity may be established in this world. Amen.

For you to live the Gifts of the Holy Spirit, I will give you a great key: no longer have personal will. Allow the Holy Spirit to embrace you at this moment and to tear, dissolve and transmute what is most resistant in your consciousnesses.

Let us ask the Holy Spirit with faith and confidence, because this is a promise that I have made to you from the moment I was on Earth: God will send His Spirit and renew the surface of the Earth throughout the times and generations, through those who say 'yes' to Christ.

Open up to the mystery of the Holy Spirit, conceived in the Sacred Fount of the Feminine Energy, because not only you, but also your brothers and sisters throughout the world, cannot take spiritual steps without the help of the Holy Spirit.

Let us then invoke the Mother of the Holy Spirit, so that She may send, through Her Heart, the deepest ray of Her Original Purity, and the inner worlds may be liberated from their spiritual prison,

from slavery to the forces of chaos, so that they may be reborn in the Holy Spirit, the Eternal, inexhaustible and unchangeable Fire of God, which comes on this day to renew all things, renew them once again. Because in this way, through your lives, I will fulfill the promises that I have made to God for each one of you.

Feel the Breath of the Holy Spirit so that the Gift of Discernment may also be established in your consciousnesses, because if in these times there are no souls with discernment, there will be no New Humanity.

And you, who are co-creator creatures before God, remember your origins, return to your sources of origin, remember your true spiritual names, those which are written among the stars of the Cosmos, and allow the Gift of the Holy Spirit to establish itself so that this planet and its humanity may be removed from danger, from violence, from wars, from persecution, from famine, from the lack of distribution of resources; that they may be removed from the danger imposed by My enemy, the one that you must not forget that I defeated on the Cross, for each one of your lives and existences.

Do you understand now that you are conscious at this moment, before the Doors of the Heavens, that you can return to your origins and make the Gifts of the Holy Spirit reemerge in you? Gifts that you will not only need to serve Me in these definitive times, but that you will also need to live them and infuse throughout the world the Purpose of God, the one that must still be fulfilled in this world, the Purpose that has still not been fulfilled since Adam and Eve.

Although this may seem impossible in the face of the sufferings of the world, elevate your consciousnesses; My Heart is open like a Temple for this to happen.

Enter My Celestial Church on behalf of your brothers and sisters and of all those who do not believe in God so that, in time and before it all happens, before the nuclear weapons may, unfortunately, be activated, the Gifts of the Holy Spirit, the same Gifts that were in the apostles in Pentecost, may transmute and liberate these conditions of evil, through the offering of the hearts that offer themselves as empty tabernacles so that the Holy Spirit may rule their lives and definitively establish the Will of God.

Let us pray, the way I taught you.

Let us pray together, invoking the Holy Spirit, at this delicate moment of the planet.

Come, Holy Spirit,
Illuminate the hearts,
so that they may achieve
the Transfiguration of Jesus.
Amen.
(four times)

And now, you will sing with Me "Adonai, Holy Spirit."

Friar Elías del Sagrado Corazón de Jesús:

We stand up at the request of the Lord, and we will sing as one voice, infusing this Holy Spirit into the whole world.

We will stand firmly upon the ground, at the request of Christ, so that this powerful energy of the Holy Spirit may descend upon us and the world. And we will place our hands in a gesture of reception and gratitude.

Let us sing.

Song: "Adonai, Holy Spirit.

We may sit down.

And we will place our hands in a gesture of reception upon our laps, for the Lord, through the priests, will give a blessing to all through the water that is being offered, so that, through the Light of Christ, the Holy Spirit may be infused not only in us, but also throughout the whole world, through this blessing.

"Father of Mercy,
Unfathomable Spirit of Love,
Inexhaustible Fount of Grace,
Immensurable Truth, Justice and Healing,
listen to the Voice of Your Beloved Son at this moment,
who, just as in the Garden of Gethsemane,
has offered to drink the Chalice,
in reparation of Your Heart
and for the salvation of humanity.

Contemplate, Adonai,
the offering of hearts,
the effort of consequent souls
and the perseverance of those who say 'yes' to Your Beloved Son.

O, Celestial Father!
do not contemplate the adversities of wars,
the impunity of some hearts,
the evil that is established in the world.

Today, My Heart, like a reliquary,
offers itself between You and the world to redeem humanity.

Send Your Holy Spirit, Lord,
and that through this water that You have created
to quench the thirst of Your children,
souls may be blessed and renewed

through the Presence of Your Holy Spirit.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

We will sing a few more times "Adonai, Holy Spirit," so that the Holy Spirit may be infused at this moment into those present here and into those who are united to Christ at this moment.

Song: "Adonai, Holy Spirit."

And before I bid farewell, before you enter the Spiritual Communion, in which you have the opportunity to renew your commitment to Me and to My Work of Redemption, I have come today to also ask for the Sacrament of the Washing of the right foot, as in other Sacred Weeks. This is so that, through the consciousnesses that I have chosen, and on behalf of all, personal will may continue to be dissolved, so that the Will of God may be established within you, that Supreme Will, which has the destiny written for each being.

The best way to live this moment is by singing to Me, by loving Me and recognizing Me, not only at this moment, but also in your lives, as a Christic and redeeming particle of Love, which has touched your lives forever. The song that I have chosen for this moment of Sacrament is all that you have lived for Me.

Christ is referring to the song: "All that I have lived."

Friar Elías del Sagrado Corazón de Jesús:

We will call here, to the altar, for this moment of consecration and of Sacrament, the following brothers and sisters, who the Lord has mentioned, which I will ask Christ to repeat, as there are many names:

Igor, Zimra, Martha, Tseguereda, Cristiano, Sister María Templaria, Guatami, Vanessa from Finland, Irene Almeida, Sister María de Fátima, Augusto and Vanilda.

Have a good spiritual exercise!

I bless you, giving My Peace to you again.

In the name of the Father, the Son and the Holy Spirit. Amen.

En el nombre del Padre, del Hijo y del Espíritu Santo. Amén.
