Daily Message of Mary, Rose of Peace, transmitted in the District of San Isidro, Lima, Peru to the visionary Friar Elías del Sagrado Corazón

Dear children,

As your Mother from Heaven, I want the best for everybody; for this reason, I intercede so that your souls take the step towards My Son.

In Him you will find the driving force to move forward with the mission you came to accomplish; the essence of the realization of the task is found in My Son.

My children, in Christ see the model for your lives, and be in likeness to Him until you spontaneously learn to love as He loved you on the Cross.

Thus, I expect the New Christs to emerge, full of the Mercy of the Redeemer and open to respond to the needs of the planet.

Dear children, be that stream of positive light that supports the planet; be that light that redeems and transforms all things.

I am here to encourage you to carry out the Plans of the Most High; as your Mother and Teacher, day after day I push you so that you are very close to Me and learn to grow in the humility conceived of by My Heart and under the glorious Presence of the Celestial Father.

Dear children, walk by My side all the time and follow My silent steps, because the time of the great Rescue Operation is drawing closer. For this reason, I train prayerful heart-centered soldiers, so that the minority may sustain the majority, which is submerged in global ignorance.

Be like My angels, armies of light and disciples of the One Who will come in His Glory to find you again.

I thank you for responding to My call!

Your Mother Mary, Rose of Peace
