**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

On this day of celebration, of the existence of the Eucharist, may your hearts emanate a spirit of profound gratitude because, despite everything, the world and its humanity have lived the Presence of Christ in the Eucharist which still lasts in an inextinguishable way, a Communion that gives itself to souls, just as God delivers Life to them.

Children, in retreat and with love lives this great mystery of Light and faith that My Beloved Son left impressed in the consciousness of humanity so that the attributes of awakening, of service and, especially, of the true giving of self, may be present in this definitive time.

Thus, celebrate this day, because in truth it is a special day for God and all angels, as we remember the precious surrender of Jesus in the Bread and in the Wine, intermediary elements for the salvation and redemption of souls.

May your lives be offered to God today.

I thank you for responding to My Call!

Who blesses you,

Your Mother Mary, Rose of Peace
