DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

The triumph of My Heart will happen in those who listen to Me...

The triumph of My Heart will happen in the children of the world who listen to Me and accept My call as something primordial for their lives; thus, little by little Your Mother of Heaven, when She is invoked in prayer, will be able to dissipate the darkness of the nations and establish the Kingdom of God in the world, a Kingdom that is awaited by the innocents.

Through the spiritual exercise of the Mystery of the Rosary for all the nations of the Americas, the one that started in these last days, the universal Divinity has placed all Its attention on the response, inner and soulful, that the hearts have given before the call for prayer that has been made by Your Heavenly Mother.

In this way, through the response of the different nations of the Americas, the adversary started to lose the power of regional and worldwide action, weakening all its malign networks, the ones that previously interfered in the consciousness and in the awakening of the peoples.

The answers manifested by all those who consider themselves in this moment children of Mary, allowed that the foreseen events in the Apocalypse of John were transformed by the intercession of Mary and by the simple prayers of the open hearts.

In this week that ends today, the angels of some of the nations of the Americas recovered the spiritual strength to be able to act, and the guardian angels of the praying people implored for the presence of fourteen of the principal choirs of the ultraterrestrial Heaven, thus Your Heavenly Mother, being in charge and in command of this whole divine summoning, received celestial permission to expel certain malign creations that would compromise even more the debts of the consciousness of the nations.

Due to the prompt response of the self-summoned to this task of prayer for the different nations of the Americas, from this day on, the praying people will obtain the celestial merit of becoming mediators together with the voice of Mary by means of the unbreakable column of prayer of the Holy Rosary.

In this biweekly recitation and entreaty, proposed for the next six months, the Americas in total will receive the Grace of rethinking in time, of being able to change some habits and customs and to welcome in the spirit of each nation, an unexplainable atonement in face of the committed faults. This will lead, dear children, certain people, nations and regions of the Americas to be relieved during the process of planetary purification.

If this channel of prayer for the nations, as it is being activated, would include more consciousnesses in this impulse and in the planetary network for peace, it will be so, dear children, that through the prayer of the Holy Rosary and through the means of communication, I will be

founding a network of planetary prayer. A network in which all the pilgrims, devotees, praying people and children of Mary will have the opportunity to pray united for the same aim, that will be to cause the triumph the Immaculate Heart of Your Most Holy Mother.

If everyone fulfills these requisites of participation and of compromise for the expansion of this network, the results that will be obtained in less than six months will be gradual; this means that all the Americas will be praying united as one heart and by the same aim together with the visionaries to whom I have confided all these souls for them to reencounter God and His blessed Path of love.

It will be in this way, dear children, as everyone prays the Mystery of the Rosary, that the possibility of intercession of the angels of nations for certain decisions that unfortunately would compromise each individual in each country, will increase.

The formation of this planetary network, through its members and devotees of Mary in the different nations, will allow to create a bridge of light with the Universe, the recovery of the spiritual principles for many consciousnesses and, most of all, the integration among cultures and the inner filiation with God.

This purpose of the network of the planetary prayer will receive an impulse for each praying person on Earth. This will be the way that each praying being will come to know the talents that Christ deposited in their heart and will be able to embrace this call as something real and necessary in these times.

The triumph of My Immaculate Heart will happen through the response of all.

I thank you for responding to My call!

I greet you on this birthday of Mother María Shimani,

Your Mother Mary, Rose of Peace
