DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

When your prayers are donated with love they arrive to My Heart as flowers of relief for It.

For this, My brothers and sisters, companions of the long trajectory to the infinite, give Me all that you are and that you are not so that I may transform it according to My designs. Surrender to Me what is good inside of you or that which anguishes your heart because at three in the afternoon My Heart pours the Source that liberates you from sin.

Assume that you will not be able to be anything, but only through Me. Do not be discouraged from your falls nor be happy for your successes because only the spirit of humility will let you know that all must be in the perpetual silence of the heart.

I guide My Sheep until the end of the path so that from there they may begin to walk with Me as apostles in redemption. If My Consciousness had chosen wise and perfect souls what would have been the reason of My coming to the Earth?

I came to the world to liberate it from error and to demonstrate to it that in My Mercy is found the liberation of oneself. For this continue walking in spite of the landslides on the path of life. My Hope for redeeming you will comfort you. Whenever you address yourself to Me, do it in confidence and without fears. I Am the Son of the God of Love, the One who will always understand you and encourage you to transform into something that you do not know because you will be a part of My redeeming Design for the end of time.

Rejoice at being conscious of Me and at knowing that, through My Eucharistic Communion, you will find eternal life.

Under the Grace of the Father, be blessed.

Thank you for remaining in My Sacred Heart!

Christ Jesus, the Mediator
