DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF PUERTO IGUAZU, MISIONES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

Humanity as a consciousness must surrender to God so that all the faults committed may be forgiven and the hearts may be relieved and liberated from their inner captivity.

As long as there is no true surrender and disposition to God, the humanity that does not yet repent will suffer greatly and will learn to become conscious of its errors through the effects caused by all its decisions.

Announce to the world and to all those you find on your paths that the time has come to surrender to God, to place your head on the ground and to ask for mercy and forgiveness so that, before the last great events, the souls may find the path of salvation.

For this, I come to ask all the souls of the world the daily consecration to My Maternal and Immaculate Heart, so that I can intercede more each time for all those who are lost and hypnotized by the traps of the enemy.

I wish at this time, My children, that everyone can open their eyes and come out of the world illusion that traps millions of souls.

Tell the souls to consecrate day to day to My Immaculate Heart, so that the majority can live a true repentance of their sins and thus, receive the Grace of a victorious redemption directly from My Beloved Son.

Remember that repentance from the heart opens the doors to the Kingdom of the Heavens so that the Divine Mercy may descend.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
