Daily Message of Mary, Rose of Peace, transmitted in the Sacred House of Mary, Madre Paulista, city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

When your consciousnesses manage with effort to open your heart, the doors of Grace open and there is nothing that can prevent this from happening.

Therefore, in this time, if you open your heart, the consciousness will be guided by a sublime energy that comes from the Source and that you, here on the Earth, know as wisdom.

My children, the wisdom of God will always place you on the path of His Divine Will and your lives will avoid entering the path of errors and constant human impulses.

The Lord needs you to be able to grow inwardly, because the hour has come for your consciousnesses and souls to show the universe that you have understood the call and that now you will live it with greater resolve.

I would like My disciples, the disciples of Christ, to go through the end of times with the inner tools that prayer and instruction have given them.

With this foundation of learning, you, dear children, will make each stage of the Plan victorious and sublime. In this way, you will be participants in the materialization of the Plan on Earth.

Thus, My beloved children, it is necessary that you be available for the needs the Universe may present in each sector of the Divine Work.

In this way, guided by a greater intelligence, you will be able to be at the height of events with more maturity and, above all, with much love.

I thank you for responding to My call!

Who blesses you under the Love of Christ,

Your Mother Mary, Rose of Peace
