**DAILY MESSAGE RECEIVED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY,
TRANSMITTED BY THE GLORIFIED CHRIST JESUS TO THE VISIONARY FRIAR ELÍAS DEL
SAGRADO CORAZÓN DE JESÚS**

It is when I am in silence that I am able to deeply see the inner union of My disciples with Me, and everything that the fruits of the instruction, delivered in the last times, generate within them.

I feel very eager to be close to My friends, especially now that I find Myself more retreated, after the last cycle of daily impulses.

This is the time to see flourishing, within my companions, the impulses of Light that I left well established in the interior of those who once stopped themselves in order to listen to My Words.

This is the time to contemplate in a living way the attributes that, once and again, I delivered to you so that you would be at service of love for humanity.

Now is the time to grow, to be strengthened, to assume great challenges and to concretize important projects of the Hierarchy.

All this will be for the emergence of a new humanity, more integrated to God, more alive and aware, through the spirit of faith and cooperation.

I will wait for all these impulses to be manifested in the lives of my companions, thus they will be living the Divine Plan.

I thank you for keeping My Words in your hearts.

Who blesses you,

Your Master, Christ Jesus
