DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

May the moments of love and light experienced with Me during these last twelve years remain written in your soul.

May every sign received during the revelations that occurred in the first moments of the apparitions of the Mother of God come to the consciousnesses.

May each message that was pronounced by the faithful Servant be remembered and heard, so that souls may not remain without instruction.

This is the time not only to make a synthesis, but also with this synthesis may the servers of Christ may be prepared to go through the last moments of Armageddon.

In every moment and meeting with Me, all the divine and merciful Love was poured out upon the hearts that knew how to recognize My Presence, and these Graces that have been precious granted will never be lost.

Each soul must value what they received because, even though they are not fully aware of what this means, this is the time to recognize and give thanks for all that was received, beyond material life.

May souls remember the steps of the Mother of God through the Marian Centers. There, it will always be the inner strength that will again place you before God.

I thank you for responding My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
