**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,  
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

My children,

Today I invite you again to the adoration of My Son, in each one of your prayers, as well as in the exercise of contemplation of the Merciful Christ. Raise your eyes towards the Heart of My Son so that your hearts may live the announcement of the New Redemption. In this way, My dear children, through this exercise you will be, in silence, preparing your hearts for when He returns. Your souls, as lambs in the flock of the Shepherd, should walk in trust, through the state of prayer and of adoration.

Dear children, you will not only be lifting your hearts a little more through adoration, but you will also be able to raise the feeling and the thought of the humanity that lives without My Son.

For this Easter that is approaching, I invite you to embrace My Son and just as at the Doors of Jerusalem, I invite you to receive the Redeemer Messiah. With this paschal mystery in your lives, you will be able to live the sublime presence of His Most Holy Heart, because without My Son you will not be able to truly see what God has for each one of you.

Beloved children, it is only through My Son that you will be able to direct your feet towards the Heavens so that the soul may find a safe place to return to.

Dear children, in this preparation for the adoration, your hearts will be liberated from the burden that they carry in life and thus, they will shine by the Presence of the Redeemer. Therefore, dear children, it is important to open yourselves in order to live the true mysteries of contemplation that Christ left as a teaching.

The time has come for all hearts to prepare themselves and to use time properly in order to be in My Son. Keep in your lives the mystery of the Love that Christ now brings to you, through His Mercy, for the whole world. Live in Him and live for Him, because soon you will understand everything.

Thank you for responding to My call.

Love and Light for the hearts.

Mary, Mother of the Divine Conception of the Trinity
