DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

May nothing move you from space or place.

May nothing occupy the dimension nor the temple of your heart; nothing that is contrary to love and truth.

Pray for your enemies, just as Christ taught.

Pray for those who were with you before and are now in the world, absorbed by the lie and the lack of transparency.

Pray for those who have despised Divine Will and chosen to live their own will as a means to lead their lives.

That the indifferent ones do not take your heart nor wear out your vitality and your energy.

To those who received treasures from Heaven and wasted them, to those who oppose the Work of My Son and now speculate and lie, the Divine Justice will come.

The Cosmic Plan is not a passing well-being.

That is why, one should pray for those who believe they are under My Mantle and are under the storm of these times.

Pray for those who are not true, for those who have lost the spiritual dignity due to their perverse and petty attitudes and today they no longer have the essential, they do not have God.

The choice of the human being is a double-edged sword that can condemn and destroy the life of one's own being.

Therefore, humility, resignation and obedience are what will always protect the path of the disciple, from himself and from the adversities of these times.

Whom truly loves the Will of God does not commit incoherent actions with the Greater Purpose.

I thank you for keeping My words with attention and consideration!

Who blesses you,

Your Mother Mary, Rose of Peace
