DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM THE CITY OF POSADAS, TO SANTA FE, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I Am the Doorkeeper of the Universe and in My Immaculate Heart I keep the keys to the Heavens, the same keys that Peter received as an inner and spiritual legacy from My Beloved Son.

These keys, which are bathed in the Love of My Heart for all the children of the world, are the ones that allow Me, as Mother and Mediator, to intercede for the salvation of souls and for the redemption of hearts.

In the same way, with My own Hands I can undo the knots and the most hard bindings of humanity, and simply with the opening of a brave heart, I can intercede for that consciousness and liberate it from its constant captivity.

Today I come as the Doorkeeper of the Heavens because at sometime of your lives you will face this mystery, which will be revealed and will need your attention for you to be able to recognize it.

I Am the Doorkeeper of the Heavens, because I desire that many more hearts may be able to enter into the Kingdom of the Heavens and thus live in Communion with the Highest so that redemption may finally be established.

I Am the Doorkeeper of the Heavens and I try to lead My children towards the truth of the heart.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
