**APPARITION OF THE VIRGIN MARY IN CIUDAD DEL ESTE, PARAGUAY, TO THE VISIONARIES
FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS**

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

My dear children, in times of no peace, may peace exist; thus, open your hearts to My call so My Voice may reverberate deep within you.

I open the Book of Heaven to you so you may know the Mysteries of God, which are the essence of Love and of Truth.

My dear children, I have come here, to Ciudad del Este, to ask for the consecration of all souls to My Immaculate Heart, because this city, Foz do Iguaçu and Asunción must be consecrated to the Immaculate Heart of Mary.

There must be strong prayer groups who dedicate their prayers and pleas to all the Kingdoms of Nature, which are also My children and have need of your prayers, so God may pour out His Mercy on them.

I come to ask you for simple things, because your hearts can understand Me. My hands open to caress you, bless you and consecrate you in these end times to the Will of God, which is unknown to many as they forget the Commandments, the basic laws of life which allow you, in your lives, to follow a correct path toward the Light.

For this reason, dear children, base your lives on the Holy Rosary. Seek the essence of the prayer of the Holy Rosary; in this way, you will participate in My Plans of Peace, even though you do not believe it.

Just like in Medjugorje, I come to announce a last time of peace for humanity.

You, My little beloved ones, have in your hands the key to salvation. Carry the holy rosary with you as an emblem of peace and of love, of unity and of compassion among creatures. In this way, My beloveds, you will allow Me to accompany you in each new prayer exercise.

When the sun rises every day, it is My Immaculate Heart that rises to illuminate your abysses, dispel the shadows and bring the Light of God to this suffering world. Thus, unite with Me every day in prayer; in this way, you will help Me, dear children, to have many hearts that live here today also be consistent with the Call of God.

Do not tire, dear children, of looking for the path of peace and of surrender. God promises you precious things for your lives, when your souls simply unite with Me in prayer.

Since the beginning of this world, God has given you the sacred attribute of the prayer of the heart, which not only brings peace to your hearts and lives, but also an inner and outer silence which is so

lacking here. Your hearts must learn to listen to God.

I Am your Mediator, your Universal Mother. I need you to hold tight to My Mantle in these times. Many souls are lost in this current world and the majority do not perceive that this is damnation.

Day and night, My tears are spilled over this world because My children do not change, do not seek the truth, do not want to live redemption so as to be able to experience a glorifying of their lives. I need you to be firm and ready, open to listening to My Words, which are the last in this time, and which reverberate in this space and in the depths of your essences, where God and My Son Jesus Christ wish to reside.

Thus, open your eyes to My call; be builders of the New Humanity, allow your cells to awaken through My Voice and be able to change into sources of Mercy.

I will not tire of reminding you that the door for the return to God is open.

This is My last request of humanity.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Today, in My Purity, I open the doors of the Kingdom of the Heavens so that, My children, you are able to reacquire the original purity that lives in your hearts, and which was lost over the centuries through the illusion and the modernity of the world.

Today, I want you to recall that holy Indian who one day trusted in My Presence, giving this nation and all of humanity the possibility of being consecrated to the Immaculate Heart of Mary.

My dears, each of you brings in your blood and in your essence the purity of that holy Indian. Today, before the Doors of Heaven, open the eyes of your hearts so that, as in that time, you are able to feel My Presence, can see My Heart, My Immaculate Spirit which comes into your lives never to be forgotten again.

Today, My Love is held in your cells, in your souls, as long as you say 'yes' to Me. If you come to meet with Me, even if out of curiosity, do not be afraid to be before My Heart, because I called your souls one at a time so that you could find Me again; so that through you, My children, many others who are lost in the world may be able to return to the Heart of God. This is a unique opportunity for your souls as well as for humanity.

My children, the Divine Verb comes to the world to make souls in likeness to their Creator, to teach you to love, to forgive, to be merciful in this world, which so lacks Mercy.

My beloveds, on this night I invite you to truly open your heart, so that it is not only a moment with Me, but that this hour be perpetuated every day of your lives and that, through daily prayer, you are able to unite again with Me, because I am with all those who pray, I am with all those who cry out from the heart.

I hear your pleas even when you do not feel Me. I perpetually observe the world, I observe the

children God entrusted to Me, so that the smallest opening of the heart could make the conversion of your beings possible, so that you could return to the Heart of the Father as to the Heart of the Universe and to that Origin from which your essences come.

My children, today I invite you to return to My Heart, which shows itself to your eyes, and those who accept My call can see and feel My Presence. Come into these arms that open to the world today and call humanity to an awakening.

I wait for you from the beginning and will eternally wait for you until one day, you are able to decide on a definite 'yes' to the Heart of the Celestial Father.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

As Queen of Peace, I leave the sacred symbol of the Cross of My Son over your beings, as a sign of conversion and of rehabilitation for all.

I need you, dear children, to open the door of your hearts to God.

I am very grateful for your presence, and I call all those children who need a celestial blessing, a sublime Grace, to meet with Me here tomorrow, in this same place and time.

I thank you for responding to My call!

In the name of the Father, the Son and the Holy Spirit. Amen.

Sister Lucía de Jesús:

As Mary said to us, She came today as the Queen of Peace. When She arrived here, behind Her we could see many beings that were singing, and I asked: "Mother, is that song of the Celestial Kingdom?", and She responded: "No, this is the song of this world, of all the pilgrims I accompany on this day," and She was showing us that, at the same time She was here, She was accompanying the devotees in Fatima, in Belén de Pará and Our Lady Aparecida.

Afterwards, She said the words we could all hear and said goodbye, leaving an invitation for each of us of offering this Grace we received today so that others of our brothers and sisters could also receive it.

So, we are going to call those who we know have need of the Presence of Our Lady and we are going to bring those brothers and sisters here, so She can also listen to their pleas and pour Her blessings over them.

We thank you all for having come, and tomorrow we will meet again in the Heart of Mary.

And to all the brothers and sisters who followed us through Misericordia María TV, we also deeply thank you.

Thank You, Mother, for all that You give us!

Thank you all.
