Apparition of the Virgin Mary in the city of Santa Fé, Argentina, to the visionary Friar Elías del Sagrado Corazón de Jesús

The caresses of My hands touch your hearts so that they may be able to be born again in the Spirit of My Son Jesus.

After listening to this, My Message, you will have the infinite and unique opportunity to renew your lives and to start again in the Lord.

I thank you for having listened to your praying voices and for all those who congregated in My Marian Love and, through this effort and sacrifice, made My Immaculate Heart triumph.

God bless you forever.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

Brothers and sisters, today Mary came here as the Queen of Peace, bringing the presence of the Custodian Angels that follow Her. The city was really helped by Her and soon after Her Apparition She said the following:

"All the hearts that were open to My call received a special Grace. Pray for the hearts that have not opened themselves to My call."

As She gazed upon us with the eyes of compassion and love, She opened Her arms and extended Her hands to us; She showed us Her Immaculate Heart pulsing and alive, pouring forth a Light stronger and greater than this river that is here, behind us.

The Grace of Our Lady is infinite. She wished profoundly to shower this Grace upon all of you and upon the city.

While She prayed for us and for the world, She left us this monthly Message.

Friar Elías del Sagrado Corazón de Jesús reads the [monthly Message of the Virgin Mary](#).

You will have the possibility to review this Message on the webpage; and, as Our Lady has asked, we invite you to review all the instructions She has given us during these last seven years, because for the difficult moments that are approaching, you will find many keys there, you will find wisdom and peace, through the Words of our Mother.

We thank you all for the opportunity of having been here, we also thank all the brothers and sisters who have joined us through the TV; and let us thank Our Lady for having come here, and let us pray so that She may be able to continue on pilgrimage throughout the world.

Thank You, Mother, for all you give us!
