Daily Message of Mary, Rose of Peace, transmitted in the city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón

Every day, and at every hour, I tirelessly pray for My children who, in this cycle, cannot manage to take simple steps toward absolute trust in God.

For this reason, with My Heart of a Mother, I beg the Celestial Father for the hearts that are still tepid and do not dare to live the great sacrifice out of love for Christ.

I pray for those who take steps backward and for those who, for different reasons, have hardened their hearts towards God, not allowing even a ray of My Grace to enter.

Tirelessly, I rely on the hearts that strive, on the hearts that surrender and do not worry about the time of day; they only focus on being able to relieve God from so much of the human grief that He receives.

That is why, children, your Heavenly Mother is here, to help those who make their hearts cold without even realizing it, and who again lose the Grace of loving and of living unconditionally, full of the Joy of God.

Pray with Me, every day, for your brothers and sister, for those hearts and lives that will not manage to take the step if their ideas and their wishes prevail.

At least, My children, mysteriously reach the Kingdom of God through the prayer of the heart, and, in this way, you will help those who no longer trust in the Designs of the Father.

Hear My request.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
