Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

I am the Mother of the Sphere, and in it I keep all the divine and universal Knowledge that is still waiting to be revealed to the world.

I am the Mother of the Sphere, and in it I keep the principle of divine Thought and the spirit of unconditional obedience, which has caused Creation to be concretized and manifested.

I am the Mother of the Sphere, and in it I keep the sacred and sublime Temples of God, yet to be revealed to humanity.

I am the Mother of the Sphere, and in it I keep the Triune Conception, which is to say, the creator Essence of the Father, the creator Essence of the Son, and the creator Essence of the Holy Spirit.

I am the Mother of the Sphere, and in it I keep the fruitful principle of Life, the origin of Original Purity, the primary state of existence.

I am the Mother of the Sphere, and in it I keep the integration and the union among universes, those which allowed the expression of the consciousness of wisdom, that the non-material Source expressed to all which is created.

I am the Mother of the Sphere, and in it I keep the spirit of the purpose for each creature in this universe. It is in this way that, as Mother of the Sphere, I clearly know what the purpose of each being is and the conclusion of their destiny.

I thank you responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
