Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

While My beloved Son entered and left Jerusalem to preach the Gospel in the Temple, the angels of Heaven also entered and left, accompanying the task that Jesus was spiritually carrying out.

With the Presence of Jesus in the Temple, the angels worked in the capturing of demons so that these would not interfere in what My beloved Son would experience during His Sacred Passion.

The angels themselves held back different groups of demons that tormented, punished and possessed the innocent so that, in their defeat, they had to observe immobilized each moment of the Passion of Our Lord.

In the same way, when Jesus returned to Bethany, those demons waited for the next trip of My beloved Son to Jerusalem.

In the days before the Last Supper, united with the Archangel Michael, Jesus gathered together all those demons so that, through an act of humiliation, they became aware of knowing they were being defeated by the Love of the Son of God.

All the demons were placed in their own abysses by the hosts of the Archangel Michael so that from there, they could be purified and come to know of the victory that the Son of God would experience through His death.

For that reason, in those days there was a revolution in the hells, for those that were burned and dissolved by the degrees of love that Jesus had awakened in souls. In this way, the impure spirits were defeated.

I thank you for responding to My call!

Who loves you,

Your Mother Mary, Rose of Peace
