Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil to the visionary Friar Elías del Sagrado Corazón

Even in the time of the Mercy of God, have faith and love for the sacrifice that is being offered to you so that you may experience it for everyone. For, after all that will have been transmuted, a greater alliance will be established between consciousnesses and God.

The mission, in these times, will be to open the doorways so that the powerful currents of the universe are able to liberate something every day, for the purpose of relieving the oppression that the planet faces.

Following the steps of the impulses that are being given, the Divinity emits Its last and great wave of Mercy over humanity.

The times will continue to change and all of the disciples of Christ must be faithfully aware that they will never be alone until the last battle between light and darkness is experienced in this world. Because afterwards, the cycle of the much anticipated universal Peace will enter.

I thank you for responding to My call.

Who blesses and protects you,

Your Mother Mary, Rose of Peace
