DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAN ESTEVE, SESROVIRE, CATALUÑA, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

As a Great Mirror of Light, I illumine your consciousnesses, so you may transcend yourselves, and in this way, you may be strengthened during the time of the purification.

As a Great Mirror of Light, I reflect Divine Life, so it may be recognized and loved by beings from the surface.

As a Great Mirror of Light, I bring the world the possibility of finding again the lost path to the Kingdom of God.

As a Great Mirror of Light, I elevate the mental consciousness of the planet, so it may conceive of evolutionary things in its ideas and projects.

As a Great Mirror of Light, I gather together your souls so they may receive the Gifts and Graces that will bring about the birth of a New Humanity.

As a Great Mirror of Light, I purify, transcend and make sublime everything that is archaic, and in this way, I concretize the Plan of God, establishing peace in the human heart.

Unite with My Great Mirror of Light and the Earth will be transfigured.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
