**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

God is merciful. God is compassionate. God is just and kind. He loves everything that exists and lives. He expresses and interrelates with everything that vibrates in the Universe of His great Love.

From the Father emerges the Source, which is born from His Divine Heart. From the Source emerges the manifestation of the Gifts and the realization of His Works of mercy through the impulses that are emanated by His Eternal Thought.

The Lord is just and kind at the same time because He reveals to us the sense of being with Him through the Laws and of being in justice, practicing each one of them.

If humanity respected, lived, and adopted the Laws, many things would not happen. And if they add to that the prayer made with the heart, the course of the events would change.

Therefore, the attention in the Designs of God will always make you be in His Purpose and not depart from Him.

Prayer builds that permanent consciousness of being close to the Father and of seeking His Kingdom all the time, a place where the spiritual consciousness of each being will be protected in these times.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
