MENSAJE DIARIO DE MARÍA, ROSA DE LA PAZ, TRANSMITIDO EN EL CENTRO MARIANO DE AURORA, PAYSANDÚ, URUGUAY, AL VIDENTE FRAY ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The strength of sacrifice for Christ is unbreakable; there is no love or consciousness that cannot feel it.

The strength of sacrifice will be able to change the planet and bring the Will of God to Earth.

The strength of sacrifice renews the times and forms, because souls receive from heaven an impulse of cosmic Love.

The strength of sacrifice grants to the world the time of peace, taking souls to recognize within themselves the Essence of God.

The strength of sacrifice brings to the world the culminating moment of the return of Christ.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
