DAILY MESSAGE OF MARY, ROSE OF PEACE AND LADY OF LUJAN, TRANSMITTED IN EL BALNEARIO EL CONDOR, RIO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

Today we meet again in this Pilgrimage for Peace, to unite and elevate our prayers to God so that many more graces can be poured over Argentina.

Yesterday I revealed to you My appeal for Brazil; today I also ask you for Argentina so that your homeland may preserve the values of Christianity, beyond the leaders of the Church and their deeds committed.

I ask you to place your trust in God so that guided by this Sacred Unity that you will have to learn to live, the presence of the Kingdom of God may be established within each soul.

With the presence of God in you, by means of your prayers, children, you will allow that Argentina may be also guided by a true justice, equality and solidarity, attributes that are so necessary to maintain the order and the harmony in the entire Argentinian nation.

But, My children, from you must be born the interest and the inner impulse so that by means of service, prayer and unity, the patronage of the Lady of Lujan may also be maintained, a patronage that some want to banish from the consciousness of the Argentinians.

For this, children, in this cycle in which you are called to consciously assume a life of true prayer for Argentina, I ask you to establish the sacred image of the Lady of Lujan in your homes and in your groups of prayers so that not only your homes may be protected and supported by Me, but also in the Argentinian families, the devotion to the Mother of God may be protected.

In this way, children, with My Presence in your homes and in your families, as Your Mother, I will be able to intercede before situations of great social injustices in your entire nation.

I wish, children, that this love which exists and is kept within each Argentinian heart, that you may offer it in good and in solidarity to the Mother of Lujan so that in Argentina the divine grace and the sacred discernment may never be lacking.

Your country and your government must continue under the protection of the Virgin of Lujan.

Do not allow, children, that the Mother and Patroness of your nation may be banished.

Unite to Me in prayer, and love will win, just as it won on the Cross.

I am beside each of My children of Argentina, waiting for the importance of keeping the Kingdom of God in all this people to awaken in your consciousnesses.

I thank you, My children, for all that has happened in this Pilgrimage for Peace, because the spirit of your homeland is being sustained by the consciousnesses of all praying beings of Argentina; this allows some events over your nation to be prevented.

Do not forget, beloved children, to carry forward the consecration of Argentina to My Maternal and Immaculate Heart every 13th, during six months, because in this alliance between your souls and God, between Heaven and Earth, we will maintain the country in the greatest possible order, in spite of all that may happen.

With an infinite love, My children, I thank you all for having concretized this Pilgrimage, I give you thanks, because it is important to Me.

Who blesses you,

Your Mother Mary, Rose of Peace and Lady of Lujan
