DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

At the doorway of the Kingdom of Aurora, your Heavenly Mother prepares the great stream of spiritual impulses that will be given during the first days of August.

The Kingdom of Aurora will be lit again as a Mirror so that humanity may receive from the Universe the spiritual help it will need for defining the next steps of the race.

Aurora, as a Center of healing and redemption, will offer to consciousnesses this gift of being able to abandon the past and be able to enter the inner schools of redemption so that someday they may experience rehabilitation.

Aurora, as a Sacred Center of God, will carry forward this spiritual movement of cosmic redemption so that the human beings present at this time may receive the Grace to free themselves from the ties of consciousness and enter into the school of forgiveness.

All of the Spiritual Hierarchy is working toward this.

We are in unity.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
