DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When a voice wholeheartedly sings to God, it opens the doors to the Infinite and from there many graces can descend over consciousnesses or in humanity.

The voice consecrated to God is one of the greatest instruments of union and of alliance with the High.

The voice consecrated to God spontaneously offers that instrument so that great processes of healing and of redemption may be established in humanity. And if the voice is always filled with a sincere and real love, greater will be its effect on the planetary consciousness.

The Creator thought that sound would be the most perfect and explanatory means for souls to be able to communicate with the High. In this sense, the voice that emits the sound, spontaneously creates the bridge of contact with our purity and with our true reality.

The voice that is consecrated to God is spiritually conceived as a key that, through sound and vibration, enters into contact with the Mirrors, and thus the descent of new and sacred knowledge is established.

The voice is one of the greatest treasures of Creation.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
