DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today My Face is full of tears, because I know that My children have not understood the meaning of what My Son said to you yesterday.

For this reason, My crying is in silence and in prayer, so that hearts may open and find the sense of what My Son truly announced.

His words are not transitory. His announcements are not temporary. My children, when My Son speaks, God is speaking directly to each human heart.

The realization of the Work of the Return of Christ is the responsibility of humanity, because it is humanity that is in need of divine intervention.

And as My children did not understand the meaning of the Presence of Christ on Earth, it is for this reason that your Heavenly Mother is crying, knowing that without divine intervention, it is not possible to support the planet, and even less, humanity.

All of those who do nothing will remember this message next time, because the Law will set them in the place where they should have always been.

They are in the same state as Rwanda was when, having heard and participated in the Presence of the Mother of God, years later lamented their most grave tragedy.

Children, reflect, asking for inner light in the heart.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
