DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Only a mother knows and feels what it means to lose a child.

A good mother knows beyond the appearance or the senses what it means to lose a child spiritually or materially.

Only a mother is capable of understanding and following what it means to lose a child, in some sense.

Only a good mother is able to see what it means to not have her child on the right path, which is the path of light and consecration.

Only a good mother is capable of sustaining with her maternal love what it means to lose a child and watch their departure.

A good mother who gestated her children knows that which represents a spiritual or human loss.

The good mother knows what it means to no longer have on her path, they who were born from her womb.

That is why the mother is the one who endures and suffers the most because she only desires the good to be fulfilled in those who she has brought up and loved with such care and dedication.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
