DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Until the end of time My Heart will unite the rings that I carry between My hands and that represent the unity among the hearts.

I still contemplate the great necessity of brotherhood that exists between the children of My Father. For this, day and night I come to the world to save it and to help it to merge itself in the essence of My Love.

True love supports and renounces.

True love forgives and is not separated by words.

The true love of God dissolves and removes all evil among the servers so that the love for the Divine Will may prevail.

In this time many souls are separated as are the stones in a river that runs rapidly and swiftly.

Whither will these precious stones go?

In which ocean will they end up?

Only My Ocean of Mercy will allow you to wash your wounds and heal your own evils. I come in the time of Mercy to unite you to Me and so that nothing that has to do with your understanding may separate you from Me.

Trust in My Mercy, pray to Me each day more and with the heart. Try to be in peace so that in this way you may overcome the mental barriers. Be heralds of My Love and distribute My Light to wherever you may go. Never fear to transform yourselves because in transformation is found the liberation of oneself.

Under the Good of the Father, be blessed.

Thank you for listening to My Words with love!

Christ Jesus, Your Saviour
