DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SALAMANCA, STATE OF GUANAJUATO, MEXICO, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

To all the choirs present in the Meeting of Music for the Healing and Upliftment of Humanity:

My dear children present at the Marian Center of Figueira,

Today, with all the light and love that flows out from your hearts from the singing, I wish to ask that, under a spirit of humility and simplicity, you offer this meeting for the divine cause of making the Love of God triumph in humanity.

For this, My children, your Heavenly Mother will today accompany you from Mexico through the sacred face of the Virgin of Guadalupe, and, with all My angels, from this side of the planet, I will wait for that moment in which your voices will start to sing and to proclaim peace for the world and the healing of hearts.

In this offering of today, dear singers of My Heart, I want you to lovingly dedicate this meeting to the whole serious situation that your planet is facing, especially for what My children of Central America are suffering, who are going through the climatic effects and the intense movement of the elements of nature.

For this sacred mission that you Heavenly Mother has been carrying out, I ask you, dear singers of God, that you keep yourselves united to the great angels of the different regions of the planet, especially the angels of Central America, so that through the supplications of your voices, they may calm the furor of nature.

It is in this way, dear children, that the whole of humanity and the part of it most asleep are facing the first and acute steps of the purification of the planet.

Through your artistic offering to God, beloved children, we will be able to open the doors to Grace, so that it may be poured out again through My Immaculate Heart in all the spaces and in the consciousnesses of the planet that are not yet prepared to live the last cycle of the transition.

From the Sanctuary of Guadalupe in Mexico, at the top of mount Tepeyac, your Heavenly Mother will wait for the musical and instrumental pieces that will be offered today in a heartfelt way by each one of you, so that in this way, a little more peace is established in the consciousness of humanity that has never experienced a final transition.

As from now, I thank all those who pray for accompanying your Divine Mother on this mission through Central America and Mexico.

It is thus that I still invite you to keep collaborating with the work that the Divine Messengers will continue to expand through other places of the world.

I thank you for responding to My call.

Who sings with the voice of the Heart,

Your Mother Mary, Rose of Peace
