Daily Message received in the Marian Center of Figueira, Minas Gerais, Brazil, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

If you have eyes to see Me in your brothers and sisters, if you have ears to hear Me in your brothers and sisters, if you feel My Love radiate through your brothers and sisters, why do you doubt I am here?

My Omnipresence is unknown to the world. My Omnipotence has not yet been fully revealed to humanity.

I am present and silent in all places where two or more gather in My Name to recognize Me and call Me Shepherd of souls.

I contemplate, I accompany and I pray for each one of the inner situations of My apostles, in the same way that I prayed for the apostles in the Garden of Gethsemane.

I see and I observe all the needs. I take into My Heart all the situations of life.

Receive, then, My absolution on this blessed day so that, from My Love and My Compassion, you may learn to live. In this way, you will have the courage to face your own miseries without defiance, and without rejecting them or denying them. You must transform them with the patience that faith gives you and the wisdom that love gives you.

Continue, every day, to live the path of redemption for Me, your faithful Friend.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
