DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I come in this cycle to take off the sandals of My disciples, and as in the past, I will wash the feet of all of Mine, purifying them with My Fire, sublimating them with my Consciousness, removing from each one of them what no longer serves Me.

Therefore, when it is your turn for the foot-washing, get ready, because it will be the time of the great surrender and of the victorious defeat. That will be the moment in which you will be more purified and will enter into the current of My Fire, to be able to expunge what is already expired and old.

Thus, I will keep you prepared for My return, above all for the last part of the Work which must be fulfilled exactly as in the Holy Scripture of God.

If you are already feeling that within you the great inner resistance is being removed, and that it is doing the impossible to not be defeated, I tell you: do not be afraid, the end of human captivity is close and you will know freedom.

No matter how painful it may be to lose control over wanting everything or desiring everything, surrender at My Feet, because as a Good Shepherd, I will be tirelessly by your side, to pick you up from the ground of your bitterness and pain, as many times as is necessary.

The only thing I ask of you is that you trust Me, because in spite of the terrible storm or tempest that you may be going through in this time, know that My Sacred Spirit of Love is always there, waiting for you to call Me, waiting for you to invoke Me, so that I may have the inner permission to intercede.

Do not lower your arms, the Universe is in need of disciples divested of self and of everything. The Universe is in need of souls capable of living a Divine and Unfathomable Mercy beyond the self for those who are truly more miserable and are within this humanity.

I thank you for keeping My Words in your heart!

Who blesses you,

You Master of Love, Christ Jesus
