**EXTRAORDINARY MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED IN THE CITY OF
SAO PAULO, BRAZIL TO MOTHER SHIMANI**

My beloved children of the world,

In this time, in which humanity has forgotten about God, the Creator sends again His Messengers so that His children can find the path they have lost.

Few in this world believe that the Blessed Virgin Mary speaks with Her children. Few believe in the Second Coming of the Redeemer. Few live a true life of the spirit.

Thus, humanity has lost its connection with the divine and eternal, with the true and the wise. This humanity, asleep and ignorant of the mysteries of this life of the spirit, clings more to their material conquests than to the cry pronounced by their soul, imprisoned within the prison of the personality.

My children, My announcement in this time is for everyone, so that once again you may set your eyes on the High and seek God Almighty in your hearts.

The Second Coming of Christ is already a reality in the Heavens and will be a reality soon on Earth. Those who believe in none of this will see the signs that will announce His Return in the skies and thus the souls will awaken. All will see, especially those who do not believe.

Together let us wait for the new time, for everything that I tell you will become a reality in this world.

I love you and protect you.

Thank you for responding to My call!

Mary, Queen of Peace
