DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER SANCTUARY OF THE CREATION, CAMBORIÚ, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

On this day of grace, My dear children, your Heavenly Mother descends with all of the Treasures of Heaven, to place them and store them within this new Marian Center, which will timidly be born through the efforts and the prayers of those who may want to reciprocate with Me.

For this reason, on this day, I bring in My Hands seven of the hundreds of celestial spheres that are kept in the Greater Kingdom, so that, sowing them in the spiritual consciousness of this Marian Center, they may open and radiate the celestial principles for which they were brought here.

This spiritual science, that today, the Ever-Virgin Mary awakens over this Marian Center, will help the purpose that this simple but humble space will fulfill within the Divine Will.

The purpose of the Marian Center Sanctuary of the Creation is to attract from the Divine Universe the powerful and healing currents that will help in the restoration and rehabilitation of the Minor Kingdoms and the Greater Kingdoms, as the devic, angelic and human are.

This Marian Center will shelter souls in the service of prayer, but will also safeguard the essence of each one of the Kingdoms, which needs help and spiritual assistance, so that in the next phase of the planet, the essence and the matrix of the Kingdoms may develop another degree of evolution.

Thus, everything that may be generated here, in this Marian Center, will have its repercussion in the immediate future as well as in the distant future. Everything is part of a spiritual and divine construction.

The Marian Center Sanctuary of the Creation will contribute through sowing the bases for the life of the Kingdoms in the next stage of the planet.

I thank you for responding to My call for the salvation and healing of the Kingdoms of Nature.

Who blesses you,

Your Mother Mary, Rose of Peace
