Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

From My Immaculate Spirit is born the delight and the happiness for all of My children of the world.

Each time that I descend from Heaven to meet with you, it is to gather you in the sacred tabernacle of the Heart of My Son, a place where you will always be able to go in the moments of greatest joy or suffering.

My children, from My Spirit blossoms the greatness of the Pure Love that I bring every day to the souls of this world, and mainly, to those that have distanced themselves from the Mercy of My Son due to error or suffering.

Daily, children, as your Heavenly Mother, I attempt to bring you into wholeness and hope, sources that spring from My most chaste Heart and that I give in trust to the souls of the Earth; and in spite of the fact that hell represses innocent hearts, I come through the Grace of God to prevent many things, even the most irreversible ones.

My Heart prepares the Meeting of the 23rd, a date indicated by God so that all of His children may reconfirm their commitment of having My Immaculate Heart triumph in all the world. In this way, dear children, I tend to your little needs, which you ask for daily from My Heart of Peace.

The times indicate many tests for the entire world, but with your attitude of daily consecration, you will allow your Mother of Peace to be able to fulfill the Designs that God has indicated to Her.

Through the Children of Mary, children of God, I am able to expand My cells of Grace throughout the four corners of the Earth, and this is stronger and more whole when hearts pray to My maternal and virginal Spirit.

Children, I pray for you and I expect from each one of you the great moment when you achieve divine fusion with My beloved Son Jesus.

From your tests, grief, sorrows and difficulties can emerge the inner will needed to reach the moment of redemption and of union with God. My steps guide the simple hearts ready to receive Me in their inner being as the Mother and Lady of humanity.

Children, I leave the following aspiration for you: that by means of this coming together in renewal and faith, My children leave this place with hope sown and experienced as a flame of the heart.

I say to you, My children, that on that day, in the end, I will return from Heaven and from the Universe to be with you once again. I will bring the stars of the cosmos, which will distribute their

attributes and origins to the spirits that are open to receiving the Celestial Presence.

Know, My children, that when I am no longer among you, you must wait for Me, after My Son arrives in this world, at the time of His Return.

In that moment, many of you will remember what I gave you in maternal Love, and the truth of this long story will be revealed to the pure of heart, who will fear nothing because they will be united with My Son.

The fatigue, the effort and the work will be great in the end of times, and unity will be the master key that will keep you steady and impenetrable in the face of all evil, for from your souls the peace will be reflected that I have given you in the last few years.

I thank you for responding to My call!

Who blesses you in the Light of the Heart of God,

Your Mother Mary, Rose of Peace
