**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

As the Mother of the Eternal Graces I want, at the end of these times, to convert your hearts into hearts renewed by the Glorious Love of God, because My Immaculate Heart promises this.

Dear children, much suffering invades the purity of the hearts. To be able to restore them, today I ask you to pray, to pray with the love of your hearts so that God, the Creator may be able to listen to you as humanity. If souls do not pray for the souls most in need, the Inexhaustible Graces of My Heart will not be able to be poured over those children that urgently need them.

For this reason, My children, we are in the time of the purification of feelings and thoughts that do not correspond to the One and Only Law of Universal Love. As the accumulation of feelings increases in the entire world, I ask you to pray with the heart because in this way I will be able to place all creatures under the repairing and redeeming fount of the Divine Mercy of My Son.

The Rays of Pity and Mercy of Jesus are still among you and over all of humanity. But many forget how important these Graces are and the enemy succeeds in distancing them from the source of these Graces.

This is why, as the Guardian of the Hearts, today I invite you to revere the Sacred Heart of Jesus. In His hands of Light He holds the sword of Redemption, which will be able to cut off and liberate all evils.

You, dear children, will be able to be the servers and the instruments of God that may consciously intervene in prayer and with love for all souls.

Remember that fasting, as an offer, helps in the descent of a Special Grace for the souls in Purgatory.

Reality and Truth are approaching the life of all My children; the Law of the Love of God is available to those who, as Jesus, may want to learn to love like Christ loved on the cross.

Ignite My Hope in your hearts, for the salvation of all.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
