DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED during the journey from São Paulo to THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

This Christmas I would like My Spirit to be reborn in your inner world again and that you could receive from My Soul the blessings you will need to start the new year and the new cycle, filled by the Light of My Spirit.

My companion and friend, receive then the possibility to be reborn in My Christic Love so that each new day you may learn to share and express it so that souls also reencounter their inner Christ, the one they will need so as to know how to face the end of time.

For this reason, prepare your heart, prepare your mind and above all your spirit, for My Christic Love to be able to rest and you, My friend, to receive the imperative strength of My Faith, the one that will impel you to take new steps with trust.

My Heart is full of Mercies for souls. Sometimes My Heart overflows with Love and does not find a place, space or enclosure where to place it.

I wish that this Christmas, the place that you will prepare to receive me be the one that will establish the inner communion with the Son of God.

I thank you for keeping My Words in the Heart.

Who blesses you,

Your Master, Christ Jesus
