DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When the hearts of the nations are oppressed and clamor for peace, unite, children, to this request and elevate your voices to God, asking for wisdom and light for humankind, so that through them peace is established.

I know that many people think that we repeat again and again: "Pray! Pray! Pray!". And it is so because beings have not yet discovered the true potential of prayer. If you prayed every day with your hearts, you would notice that prayer transforms you, transforms life around you and transforms this world.

It is not the wars, the protests and the conflicts that will bring peace to the nations. It is prayer that unites the human heart to the Divine Wisdom, so it can deal with the specific imbalances of these times.

Prayer is what calms the human impetus of impulsivity and places beings into a state of peace to make the correct decisions, according to God's Will and not their own.

It is prayer that makes you see the events of the world with neutrality and with wisdom, in order to know how to help.

Prayer is what opens the doors of the world for new Laws, new standards of living, that give you the opportunity of participating of a new time.

It is prayer that dissolves, from the mental planes of the planet, the ideas of destruction, wars, malice, outrage, so that they do not manifest in the world; even if all this happens within silent levels of consciousness, where only the heart can reach.

Prayer is an exercise of humility and therefore allows beings to lose their human arrogance in order to allow God to guide and lead life within this world, because He created it and only He can lead it to His Purpose.

Prayer, children, is much more than everything I have said to you. But, to enter this mystery, you need to pray with your hearts and to deepen each day in the communication with God.

I bless you and inspire you to pray with your hearts.

Your Father and Friend,

The Most Chaste Saint Joseph
