DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Enter into your heart and strengthen your faith and unity with God so that the things of the world and of humanity do not shake you, but only what comes from the Father may move your inner world, transforming you and molding you according to the Divine Will.

Pray and unite to the sacrifice of Christ, to know how to silence when it is necessary and pronounce only words of Love and Truth, when it has to be.

Learn to love humility, sacrifice and surrender and, above all, allow your heart to experience all these things without any recognition from others.

Pray and create a bridge of love between your heart and the Heart of God so that you learn to communicate with Him and receive from Him the impulses and the Gifts to think, feel and act, to live.

Do not be distracted by the things of the world, but let yourself be overwhelmed by the things of God. May your heart be a door to Infinity and your being as the beginning of a new life.

Let go of what belongs to human life and embrace what comes from the Universe, fruit of the Love and renewal of the Father, because what must be manifested on this Earth has never been known; it in no way resembles what has been experienced up until today, upon the world and beyond it.

God calls you to be the precursor of a new existence. Therefore, child, pray and let everything in your being be renewed: body, soul, mind and heart. May every space of your being be reborn for a new life.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
