WEEKLY MESSAGE OF SAINT JOSEPH TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

It is urgent, children, that you pray for peace and for the end of wars.

It is urgent that you pray for lost and assaulted souls, for the souls of martyrs and for imprisoned souls.

It is urgent that you pray for the souls of those who are deceived by hatred and resentment, for those who seek revenge because they believe it will bring them peace.

It is urgent that you pray for those who are in the darkness and who walk toward ever-deeper abysses.

It is urgent that you intercede with your own lives so humanity can come to know transformation and the Divine Purpose.

It is urgent you no longer give so much importance to what is superficial and mediocre, so you may finally understand the meaning of serving in this world.

It is urgent that you no longer suffer because of the little things in life, but rather that you expand the horizons of the vision of the heart, so your consciousness may be able to encompass what really matters in this time, which is the rescue of the precious souls of God.

This is the time of the last opportunity for many beings who are seeing the doors close before their eyes, just as their hearts close because of the inexplicable suffering they are experiencing.

Thus, pray, children.

Pray for the lost souls, pray for the assaulted Kingdoms, pray for the innocent and for those who are seeing their essences fade away without their having the strength to do something for themselves; pray for those who have lost hope.

Allow the pain of the Heart of God to touch your hearts for a moment, so that you may understand what the Creator feels when losing a beloved soul, part of His Divine Heart. And in this way, children, you will bring meaning and breadth to your prayers.

There is nothing else I can ask of you except prayer, transformation, service, and a greater awareness of the times you are living and the true need to be instruments of God.

This is My cry on this day, that you awaken even more, so you may deepen your degrees of love, so your hearts may be constantly united with the Suppliant Network of the Universe and that these pleas grant humanity a new opportunity.

You have My blessing for this.

Your father and friend,

The Most Chaste Saint Joseph
