WEEKLY MESSAGE OF SAINT JOSEPH TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY TO THE VISIONARY SISTER LUCÍA DE JESÚS

In the most arid deserts or in the deepest abysses, the Love of God will always find you, child. When you are able to go beyond an inner aridity, sufferings and anguish, doubts and afflictions, and are able to pray to your Father Who is in Heaven, He will always hear you.

And like a starry sky in the desert or like a powerful light in the abyss, His Love will be revealed to your heart and will make you feel that not even deserts or abysses will limit the Presence of God in the life of His Creatures, because union with the Creator happens from the inside out, it is something that is experienced within you.

And the circumstances in life do not matter, where and how you are. If your heart is willing to go beyond that, the Creator will be guiding your steps and sustaining your spirit.

For this reason, do not be afraid and do not suffer because of the times of chaos and conflict on the planet and in creatures. Concentrate your consciousness on the power of the Light and, in the face of the shouts of the deceiver, let your silence open the doors to a higher reality.

The enemy will shout and seek to confuse consciousnesses in many ways; its expression is an appearance, and its deception lies in superficiality.

Thus, the battle you must fight is in silence, constantly placing your heart in God and not allowing your eyes to focus on appearances, but rather that the focus of your heart be on the Truth, and that the shouts of the enemy echo without any strength in your ears, for they will not find any room in your heart.

Let your goal be Love, despite seeing resentment, wars and chaos in the world.

Let your goal be the Light, despite seeing confusion and darkness in the world.

Let your heart remain in the certainty that strengthens it, which is the Divine Purpose, that is beyond everything that is confusing and apparent. It is in this way, child, that in spite of everything that happens on the planet, you will find peace and will transmit peace to the world.

You have My blessing for this.

Your father and friend,

The Most Chaste Saint Joseph
