DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

If the Father, Who is in the Heavens, withdraws into His Silence, His Daughter and Servant will also accompany Him, as well as all the guardian angels.

That silence is the only exercise of premeditation in the face of the events that lie ahead.

That silence speaks in the depths of consciousnesses, especially of those who deceived the Plan of God and were very unjust.

That silence will cause an unknown justice to descend over the world and over those souls that, with contempt, tempted the wrath of God.

The reason for this silence will speak in the heart of the humble and will strengthen the spirit of the peacemakers.

Nothing that has happened will remain without justice; on the contrary, now at this moment, the angels of the Judgement will be the ones who will act according to what is indicated by the Eternal Father, since there is a great imbalance because of the fraud of those who had previously been entrusted with the Kingdom.

The Father knows that the human being is weak, but He also knows that they can be sincere and just, in spite of sins, and when both situations are in opposition through the will of the human being, the Law of Divine Justice must be applied, and we can only pray for it to be gentle and just.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
