WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

From the extensive golden lands of the heart of Asia to the deep and unknown peoples of the desert, I Am the Lady of Mongolia.

From the heart of the peasant to the pilgrim and nomad, I Am the Lady of Mongolia.

From the oldest dialect to the most sacred culture, I Am the Lady of Mongolia.

From the expression of the Sacred Temple of Compassion to the unity among religions and peoples, I Am the Lady of Mongolia.

From the most arid deserts to the last forests of this country, I Am the Lady of Mongolia.

From the spirit of the Divine of the ancestors to the peoples that have walked in the most absolute desert, I Am the Lady of Mongolia.

From the victory of the last warriors to the empathy of the monks of the East, I Am the Lady and Mother of Mongolia.

I Am the Lady and Mother of Mongolia, I Am the Guardian of the legacy of survival and faith of all those who have invoked the Presence of God on these extensive and vast territories of Mongolia.

I Am the Mother of Mongolia because I wear the colors that express what is sacred and blessed of this people, interned in a great desert.

I Am the Lady of Mongolia because I Am the Steward of the Doors of Shambhala. I Am the Virginal Teraph of a culture that is prior to this current humanity.

I Am the Lady of Mongolia because I safeguard and protect the keys that open the Doors of Shambhala.

I Am the Lady of Mongolia because I reflect the golden mirror of a people that has experienced the awakening of the heart and that, due to their purity and anonymity, have lived in union with the universe.

I Am the Lady and Mother of Mongolia so that humanity may not lose the values of sacred spirituality and simplicity.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
