**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE COMMUNE OF OLMUE, MARGA MARGA, VALPARAISO, CHILE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

My Son comes in this end time to establish His Divine Purpose in humanity. But, for this to be possible, it will be necessary that souls be able to transform into the spiritual and inner model that He needs in order to carry forward His redemptive Work.

If it is not this way, and souls resist changing what they consciously know is not part of the Plan of My beloved Son, for their own protection they will not be able to participate in this Work, in the part that is theirs to do.

It is important to keep in mind that My beloved Son seeks allies and devotees of His Sacred Heart so that souls may serve as precious receptacles for Him, into which He can pour His Codes of life to renew them, time and again. Thus, the process of inner transformation is not only restricted to just one consciousness but rather it influences all that surrounds it, in a permanent way.

Christ expects to find, each day more, within His followers and servers, the possibility of carrying out His Supreme Work in them in a true and crystalline way. Thus, the transparency of your hearts and minds will determine, at this time, the chance you will give the Sacred King for transforming you into new vessels, into His transformed instruments.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
