DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May the peace of God be present in all hearts.

Children, remember the essence of the spiritual life, every day, that is to be found in surrender, sacrifice, service, prayer, and, above all, in the attribute that unites all things, which is love.

Remember that true freedom is found in surrender, and by experiencing this surrender you will learn to love the Will of God, and not your own.

Remember that true freedom is found in sacrifice, and by experiencing this sacrifice you will learn to overcome yourselves in love, finding a greater love, every day.

Remember that true freedom is found in service, and by experiencing a heartfelt service, you will be free from your constant wills and needs, so that through fraternity you may learn to live by the Divine Providence.

Remember that true freedom is found in prayer, and by living this prayer you will find the Celestial Universe and its origin, overcoming all human fears and illusions, that make your feet constantly trapped to the Earth.

Remember that true freedom is found in love, and by living this love, you will be free, not only from yourselves, but also from all the limits, covers and dimensions that separate you from the Divine Consciousness. Love will lead you to the All that God is and, more than that, it will open the doors so that all life may return to the unity with the Heart of God, and it will give the Creator the possibility of finally renewing His Love and His Creation.

In this time, find true freedom, and be free inside of the Divine Unity.

Your Father and Friend,

The Most Chaste Saint Joseph
