Daily Message of Mary, Rose of Peace, transmitted during the journey from Santiago, Chile, to São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

When the Father decides to accomplish His Will, the universe responds, and that Supreme Will is fulfilled, above all things.

For this reason, you must trust that, if it is the Will of God that good be done, it will be done, and nothing will be able to oppose it.

My children, feel in your hearts how the sacred Principles of the Father manifest in creatures by means of the Will of God, and these Principles are expressed through the love that emerges from your hearts and lives.

The Will of God is undeniable and He presents it through the Angels of God, who accomplish His Designs.

I encourage you to cling to the Will of the Creator, because, in this way, nothing within you or outside of you will be able to hurt you.

Encourage yourselves to be like the Angels of Heaven; encourage yourselves to be in likeness to Me and live the Will of God in this time, just as I lived it while facing the Archangel Gabriel.

I bless you, on this day, and I thank all of you who collaborated and made My Pilgrimage for Peace possible in Argentina and Chile, once again. Special thanks were placed within the hearts that opened on this blessed Pilgrimage.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
